

# 7 MOUNTAINS COACHING

EXPERIENCE THE COACHING DIFFERENCE

“People must activate **“transformational intelligences”** to impact their vocations in a lasting way. We have developed 7mountains coaching as a key to **peak performance** along with **peak significance**. Before your feet hit the ground when you get out of bed in the morning you will be looking forward to engaging the workplace with a **perspective** that will **change everything** about your day.”

Dr. Joseph Umidi, Lifeforming Founder and President

## Vocational Significance

*Move beyond career placement to vocational significance, satisfaction, and impact.*

## Impact Your Mountain

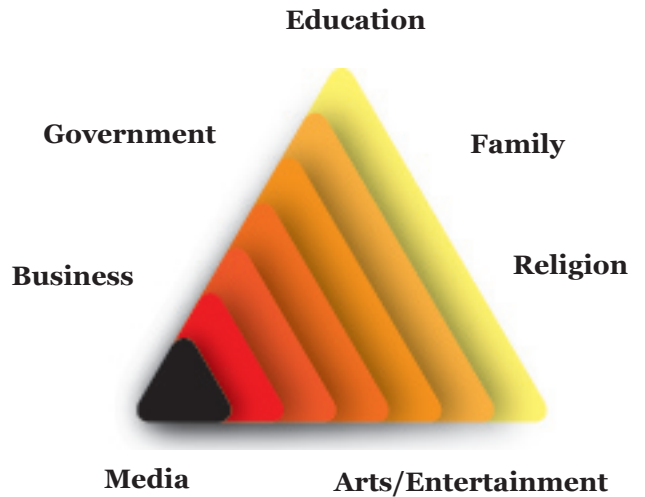

*Follow a proven system to fulfill your 7 Mountain calling in a creative learning community process.*

## Value Based Performance

*Enjoy the “validation” of receiving and applying value-based practices that go beyond standard career preparation.*

## Tailor-made Transformation

*“Import” and “Export” a transformational change that is tailor-made for you and for those you work with.*

**Becoming** a 7M “intel-agent” and/or a 7M coach adds to any leadership development strategy or training **you are already using**. Lifeforming has proven materials that will enhance and accelerate your impact **on the mountain you influence**.
